Modifying the Tenant Selection Plan and Associated Forms

PLEASE NOTE: These sample documents have been created in Microsoft Word or Microsoft Excel. The Tenant Selection Plan Template includes references to HUD guidance. We used HH 4350.3 R1, C4, HUD’s Monthly Activity Transmission (MAT) Guide, HUD’s RHIP ListServ and various memos and Notices to create these documents.

The Policy Template and supporting forms included on the CD must be carefully reviewed and edited before they are “finalized” and implemented in your own policies and procedures. We have chosen the most common options indicated by our customers, but smoking policies, pet policies and resident screening may vary from owner/agent to owner/agent. The Policy Templates and supporting forms include notes about options. These notes are in blue and start with “(Note from RBD...)”.

Review by the owner/agent’s compliance team and legal counsel – particularly a fair housing attorney – is strongly recommended.

While the forms can be edited, you cannot save changes to the FASTForms CD. You should create a dedicated directory on your hard drive and save any changes to forms there. Be sure to use the “Save As” option and remove “Notes from RBD” from the final version of each form. The original, unedited version will remain on the VAWA FASTForms CD.

The Tenant Selection Plan

Tenant Selection Associated with the Contract Type Section 8 Family, Section 8 Elderly, PRAC, 202/8 or PBRA RAD: Updated 7/2018. The resident selection plan included on this CD has been designed for use on a Section 8 property. The template includes options for elderly and family properties. This plan incorporates required elements as discussed in HUD Handbook 4350.3 Revision 1, Paragraph 4-4 and in subsequent HUD Notice. The plan also includes some, but not all of HUD's Recommended Topics. This resident selection plan has been updated to include information about a homeless preference which will need to be enhanced and a sample elderly preference for those properties who wish to implement an elderly preference. The Plan is provided in Microsoft Word format and must be edited as appropriate.

Application Package Documents

Application Associated with the Contract Type Section 8 Family, Section 8 Elderly, PRAC, 202/8 or PBRA RAD

Updated 7/2018. HUD does not provide an application for use on Section 8 properties but indicates that the application must be designed so that the owner/agent can make a preliminary eligibility determination. This sample conforms to the resident selection plan included on this CD. If the resident selection plan is edited, edit the application appropriately. Alternatively, if you already have an application that works for you, use that application instead of this sample. Please be sure the application conforms to the resident selection plan. For example, if the resident selection plan indicates that you conduct a rental history review with the last three landlords, the application should ask for the contact information for the last three landlords. This application has been modified based on customer feedback.

Pre-Application Associated with the Contract Type Section 8 Family, Section 8 Elderly, PRAC, 202/8 or PBRA RAD

Updated 7/2018. HUD does not provide an application for use on Section 8 properties but indicates that the application must be designed so that the owner/agent can make a preliminary eligibility determination. This sample pre-application can be used when an owner/agent is managing a long waiting list and does not need to collect information likely to change before the applicant approaches the top of the waiting list. A full application must be completed by the applicant(s) before the final eligibility determination starts. Please be sure the application conforms to the resident selection plan. This application has been modified based on customer feedback.

Application Package: Updated 7/2018. Reworked the entire application package based on feedback from our customers.

This is a cover letter for the Application Package. This document also includes instruction for each document that should be attached to the application. This should be edited based on your requirements. For Section 8 programs, owner/agents are required to provide certain documents. These include but are not limited to:

- Application
- Notice of Requirement to verify non-citizen eligibility
- Citizenship Declaration
- HUD Form 92006 Supplement to the Application

Please note that the VAWA Forms (HUD 5380 and 5382 are not provided to all applicants, but rather to rejected applicants.

Other documents are provided at application, during the eligibility interview or at move-in. We have created an application package that includes documents that, in our opinion, should be part of a standard package. However, as long as you comply with HUD requirements, you can edit this document to conform to your own policies and procedures. You can edit and use this package or you can use a package that has already been created for your property.

Certification of Receipt of Documents: Added 7/2018. This can be used to show that an owner/agent provided the required documents to the applicant/new resident.

Application Package Cover Letter: Updated 7/2018. This is a separate cover letter for an Application Package. It is only the basic cover letter and should be edited so that the contents described in the letter match what you include as part of your application package.

Questionnaire for Applicants/Residents Who Claim Zero or Sporadic Income: Updated 7/2018. HUD does not provide a “HUD approved” zero income certification. Owner/agents are to develop policies used to verify zero or sporadic income.

Rental History Questionnaire: Updated 7/2018. HUD does not provide a sample landlord reference form. Owner/agents must develop their own forms. This form is a sample that can be presented to “previous landlords” for use during Rental History Screening. This form was updated 10/2013 to change formatting. SSN number was changed to “Last four digits in SSN”.

Certification – No Rental History: Updated 7/2018. This form can be used when an applicant must certify that he/she has no rental history. It is especially helpful when an owner/agent suspects that someone is living in a unit when they are not on the 50059 or the lease.

Applicant File Checklist: Updated 7/2018. This is a sample applicant file checklist. It should be edited to conform to your own policies regarding maintenance of the applicant file. This form was updated 10/2013 to include references to the latest HUD Handbook 4350.3 Revision 1.
